This free aviation safety seminar will be the perfect kickoff for your trip to Oshkosh, or a great mid-summer review. Part one, "Takeoff and Landing Hazards" will be presented by OSU's own Ed Hardick. Part two "Checklist for Success, 10 steps to becoming a safer airman" by Kris Palcho will give you step by step suggestions for improving your eye for aviation safety.

Sponsored by the Ohio State University Aviation Department.

Directions: Aircraft - park at the OSU Ramp and walk across the parking lot to the administration building - Cars - park in the main parking lot. Administration Building is on the south side of the lot.
